## LIMITED EDITIONS

Artwork is available in many sizes, is limited in production, and belongs to an edition. To that effect, each panoramic piece designates part ownership of a worldwide right within its official edition. Each edition is limited to 149, 199, or 249 total pieces. Each is approved and hand-signed by the artist. A hand-made Certificate of Authenticity is provided.

## SIZING + PRICING

Below is a chart of current artwork sizing and pricing. Each piece varies in height, usually respecting a 3 to 1 panoramic ratio, width to height. *Call for larger size quotes than those shown.* Prices may be approximate, depending on display type and final sizing. Creative tiling options available for creative or oversize display applications. Applicable tax not reflected in pricing below.

## PRODUCTION + SHIPPING

Printed on professional grade Kodak and Fuji archival photographic media using calibrated, state-of-the-art Theta, Lambda, and Lightjet technologies. Mounting substrates typically utilized are archival-grade Gatorboard, Sintra, or Polymetal/DiBond. Great effort is exerted to ensure all components of artwork are created with and use the best, most archival-sound materials available in the arena to date.

Please allow approximately 3-5 weeks for full production (framed/mounted artwork and gallery blocks) and 2-4 weeks for prints. Estimates include shipping times. Professional expert packaging is utilized in tandem with insurance to ensure proper coverage and safe delivery. Shipping costs vary based on artwork size, region and country destination. *Call for all shipping estimates.*

## SMALL LIMITED EDITIONS OF 300 & 500

Small editions are available for each artwork at a fixed 24" and produced in the same fashion as above. Mats are optional in black or white. NOTE: Conservation-grade mats add a finished, ready-to-frame look at approximately 2.5" on all sides for a final artwork width of 29".

24" Prints: \$80 - \$185 | Black or White Mat: add \$15.
